Space Assignments and Fees

Purpose

The purpose of all exhibits is to inform meeting participants of the types and nature of the products displayed related to applications in Computer Vision and Pattern Recognition and to provide information and explanation concerning related products and services.

Space Assignments

The following rules and regulations governing the exhibit under the auspices of the CVPR 2006 Conference are part of the application for space and constitute a contract between the Exhibitor and the Conference. They have been formulated in the best interest of the Exhibitor and full cooperation of the Exhibitor in their observance is asked. Any detail not specified is subject to decision by the Chair of the Conference.

Exhibit space will be assigned based on the date the application is received.

Space Selections

The Exhibitor agrees to accept the space assigned. The application, along with full payment of space, should be returned to the IEEE Computer Society office by Friday, 5 May 2006. The Conference reserves the right to modify the designated exhibit space in the event a change in the original assignment is necessary.

Contract for Space

The acceptance of the application by the IEEE Computer Society and the full payment for rental charges constitute a contract. A completed application for space with full payment and all requested information must be submitted by mail or facsimile. Facsimile applications must include a credit card number, expiration date, and signature. Telephone requests will not be honored.

Space Rental Fees

One table: \$1,200.00

Two tables: \$2,400.00

Three tables: \$3,600.00

Exhibits - What is included with your exhibit fee?

The Conference will furnish an approx 2'x5' table and two chairs. Exhibitors are responsible for any other requirement needed including electricity. Wireless internet access will be available onsite, but the conference cannot be responsible for signal strength or other aspects of the wireless connection.

Terms of Payment

Full payment MUST accompany the application for space. No application will be processed without remittance of full payment.

Cancellations

Exhibitors are requested to notify the Conference Department of the IEEE Computer Society by fax at +1 202 728 0884 or by email at register@computer.org with cancellations. Cancellations are not effective until they have been submitted in writing to the Conference Department of the IEEE Computer Society. The date the Exhibitor's written notice of cancellation is received will be the official cancellation date. Cancellation of space after Friday, 26 May, 2006 will result in NO REFUND.

Cancellations received by the deadline will be issued a 50% refund.

Space reductions are considered cancellations and are subject to cancellation fees. It is understood that the CVPR 2006 Conference reserves the right, at its option, to reassign a cancelled table regardless of the cancellation rate assessed.

Refunds

Refunds will not be granted after Friday, 26 May, 2006.

Failure to Occupy Space

Any Exhibitor failing to occupy space is not relieved of the obligation to pay full rental price for space. The Conference shall have the right to use exhibit space as it sees fit, provided the space is not occupied by the scheduled exhibit hall opening, unless prior alternative arrangements have been agreed upon.

Sharing Space

Subletting of space is not permitted.

Badges and Staffing

Each exhibiting company is limited to two (2) exhibitors per table. Each exhibitor will receive a complimentary conference registration (excluding the CD). This will give exhibit staff access to the full conference including technical program, breaks and receptions.. Additional registrations may be purchased at the normal price.

Exhibits must be staffed during show hours. Please note that you will be in violation of regulations if the exhibit is not staffed. Identification badges may be picked up at the registration desk. Badge exchange between exhibitor representatives is not permissible.

Operation of Exhibits

The management reserves the right to restrict exhibits which, because of sound, method of operation, materials, content or any other reason are deemed objectionable, and also to prohibit or evict any exhibit as a whole.

Size of Exhibits

Exhibits must be arranged so as not to obstruct the view or otherwise interfere with the displays of other Exhibitors. This restriction includes person(s), things, conduct, printed material, noise, or anything of a character which may be objectionable to the exhibit as a whole. In the event of such restriction or eviction, the IEEE Computer Society is not liable for any refunds, rentals or other exhibit expenses.

Hotel Information

The conference is being held at a university facility. There is no conference hotel. A number of accommodation options are listed on the conference web site, www.cvpr.org/cvpr06/.

CONTRACTUAL CONSIDERATIONS

Violations

As a condition for exhibiting, each Exhibitor shall agree to observe all policies. Violators will not be eligible to exhibit at future CVPR Conference meetings.

Insurance

Advise your agent! Insurance on all exhibits is the responsibility of the Exhibitor. The IEEE Computer Society will not assume any responsibility for property loss or damage to personal property, as stated in the section on Limitation of Liability. Exhibitors are advised and encouraged to carry insurance to cover their property against damage and loss and public liability insurance for claims of injury to the person and property of others.

Limitation of Liability

Exhibitor agrees with IEEE that IEEE shall not be liable for any damage or liability of any kind or for any damage or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation and enjoyment of exhibit space by Exhibitor or any person thereon with the consent of Exhibitor and that Exhibitor will indemnify and hold harmless IEEE from all liability whatsoever, on account of such damage, or injury, whether or not caused by negligence of or breach of an obligation by Exhibitor or its employees or representative.

Catastrophe

In the event of fire, strikes, or other unavoidable occurrence rendering the exhibit space unfit for use, provisions will be made for the exhibit elsewhere or a proper financial adjustment will be made to the exhibitor.
